I, the undersigned, understand that even though I am using my own vehicle as transportation for a church outing, my individual insurance is primary, as auto insurance follows the "owner of the vehicle." I also understand that the Covenant Presbyterian Insurance Program (CPIP) recommended limit is a minimum of \$500,000 and CPIP's excess limits will only apply to the church and will be called upon after the primary limit is exhausted.

In addition, I affirm that the information stated on this form is true and 1) I currently hold a valid driver's license; 2) my insurance policy is in force; and 3) my vehicle is in good working order. I further agree to take every precaution necessary to ensure the safety of my passengers while transporting them in my vehicle.
