## **SPONSOR A SUNDAY FELLOWSHIP MEAL**

Each week, following the Sunday Service, the Powerhouse congregation sits down to a family style meal. This is the big event of the week where families and friends fellowship with each other. The cost including the main courses, dessert, beverages, and paper goods is only \$200.00, and serves 120 people.

## **SERVE AT THE SUNDAY FELLOWSHIP MEAL ON THE 4<sup>TH</sup> SUNDAY OF THE MONTH**

We have a great time cooking, serving, and cleaning up after the meal. Once you and your family attend this great time of fellowship, you will be back time and again. First timers often carpool or drive with "veteran" St. Andrews members. There is gated parking on the church grounds.

## **SOCKS SOCKS SOCKS!**

Who can't use some more socks? Your family can supply clean socks to needy families free of charge and at little cost to you. Gable House Bowl includes a pair of new socks with each pair of rental bowling shoes issued. The customer has the option to keep the socks or donate them to the inner city. A large percentage of customers chose to donate their socks to Watts Powerhouse Food.

Each trash bag contains approximately two loads of socks that have only been used once. All you do is pick up a bag and do the laundry. Then bring the clean socks back to church on Sunday. We will distribute them at the Powerhouse Church.

## **WEB MASTER**

I don't even know if web master is one or two words. But if you do, we need your help. Powerhouse Food needs someone to build and maintain our website.

## **Jimmy Holmes, Indigenous missionary to Watts Watts Powerhouse Church**

Jimmy serves full time as the assistant to Pastor Todd Grant. He lives in Watts and is a respected man of God in the community. He is a very important person in the lives of the congregation at large. St. Andrews provides the majority of his support, and the friends of Powerhouse Food provide the rest. Jimmy only needs an additional \$250.00 per month to be fully funded for the upcoming year.
